## Vienna NGO Committee on the Family

### *PROJECTS AND ACTIVITIES 2021*

At a Full Committee Meeting, which was held as a Zoom video conference, representatives of the 41 International Non-Governmental Organisations (NGOs), who are members of the Vienna NGO Committee on the Family, and 22 associate member organisations, discussed various institution-building projects and activities. The Board of the Committee had worked out a schedule for their implementation, which was realised in co-operation with the support of the member organisations of the Committee and their representatives. The worldwide network of civil society organisations, research and university institutions, government agencies and individuals, continues to be, not only a beneficiary of interactive exchange, but is in many cases, directly involved in the work of the Committee. The Vienna Committee on the Family, understands itself as a non-political, non-denominational umbrella organisation, with a global focus on the well-being of families worldwide, providing a bridge between families-oriented Civil Society Organisations (CSOs), The United Nations, Governments of Member States of the United Nations and Academia, as well as between CSOs themselves, through the various digital-networks set up and maintained by the Committee.

### *The following projects were realised in 2021*

The Committee organised and scheduled an International Forum, during a Full Committee Meeting, at the United Nations Vienna International Centre (UNVIC) for Monday May 10th 2021, to observe the United International Day of Families (UNIDF) 2021, entitled “Status of food & Nutrition in Europe & Central Asia – Challenges and Actions” with Mary Kenny, a Food Safety and Consumer Protection Officer at the Food and Agricultural Office of the United Nations (UNFAO) Regional Office for Europe and Central Asia (REU) in Budapest, who has extensive experience in working with countries to strengthen national food control programmes and related food safety capacities. Mary also manages FAO’s work in the region on agri-food trade and market integration, including work on nutrition and sustainable food systems. **4. Cooperation with the United Nations Focal Point on the Family in New York**

The Board of the Committee keeps its various networks informed with documents of United Nations Resolutions and Reports of the United Nations Secretary-General pertaining to family issues. The above mentioned International Forum, with Mary Kenny from the United Nations Food & Agricultural Office (UNFAO) was also held to observe the United Nations International Day of Families in May 2021.

**The 59<sup>th</sup> United Nations Commission for Social Development (UNCSD) 2021** had as its Priority Theme: 'Socially just transition towards sustainable development: the role of digital technologies on social development and well-being of all.' The Committee Coordinator for the UNCSD, Franziska Reichel, drafted a statement for the Committee on this theme, in cooperation with the Secretary of the Committee, Peter Crowley Ph.D. and it was signed by a number of member organisations of the Committee and subsequently submitted to the UNCSD by the Committee, and became an official document of the UNCSD in 2021. <https://undocs.org/E/CN.5/2021/NGO/18>

**The 60<sup>th</sup> United Nations Commission for Social Development (UNCSD)** scheduled for February 2022, has as its Priority Theme: 'Inclusive and resilient recovery from COVID-19 for sustainable livelihoods, well-being and dignity for all: eradicating poverty and hunger in all its forms and dimensions to achieve the 2030 Agenda.'

The Committee Coordinator for the UNCSD, Franziska Reichel, again drafted a statement for the Committee on this theme, and it was also signed by a number of member organisations of the Committee, and subsequently submitted to the UNCSD by the Committee, and has since become an official document of the UNCSD in 2022. <https://undocs.org/E/CN.5/2022/NGO/3>

An eighty page report, of a study update entitled: '**Documenting Contributions of Civil Society Organisation to the Well-Being of Families**' by Peter Crowley Ph.D. then Secretary of the Committee, in cooperation with the United Nations Focal Point on the Family, which was presented by the author, at the United Nations in New York, to observe the 20<sup>th</sup> Anniversary of the United Nations International Year of the Family, is available to download, on the United Nations website: <https://www.un.org/development/desa/family/international-day-of-families/2014-3.html>

The following quotation from the Report of the United Nations Secretary-General to the General Assembly on November 26<sup>th</sup> 2019, (A/75/61-E/2020/4) which relates to activities of the Committee going back to 2019, brings to bear the appreciation of the highest office of the United Nations for the endeavours of our Committee, the Member Organisations and their representatives, for the well-being of families worldwide. "The Vienna NGO Committee on the Family organized two international forums. One forum, held in cooperation with the United Nations Office on Drugs & Crime, was focused on the global effort to end the AIDS epidemic by 2030, in the light of Sustainable Development Goal 3. The other, which was focused on child and youth media protection, from the perspective of parents, was the third of in a series of three forums dealing with families and digital media usage, organized in cooperation with the University of Salzburg. The Committee also published its online quarterly bulletin, "Families international", incorporating forum proceedings, with a focus on endeavours to eliminate the practice of child marriage." <http://undocs.org/A/75/61>

## 5. Website of the Committee

[www.viennafamilycommittee.org](http://www.viennafamilycommittee.org)

This website, which was set up in 2000 is, amongst others, the main vehicle to publish our quarterly bulletin 'Families International'. Issues Nos.117 to 120, which were published in 2021, may be downloaded from our website without cost to the reader. A button entitled 'Families Online' is available on the homepage with a direct link to the proceedings of three International Forums organised by the Committee, between 2017 and 2021, dealing with families and digital media usage.

## 6. The Three Digital Networks of the Committee [203 CSOs Networked - 92 in Sub-Saharan Africa]

Katharina Muegler, kindly accepted the invitation of the Committee, in 2021, to become the 'Committee Digital-Networks Coordinator'.

A so-called '**Digital Divide**' exists between those connected and not connected to the Internet. Statistics from the United Nations International Telecommunications Union based in Geneva, for 2021, show that 4.9 Billion or 63% of the World's present population of over 7 Billion, was connected, to the world-wide-web, which was an increase from 4.1 Billion, or 54%, in 2019. This increase may, in part, be a result of the Covid-19 Pandemic. The proportion of women using the internet globally in 2020, was 57%, compared to 62% percent of men. However, 2.9 Billion globally remain offline, with 96% of those living in Developing Countries. In the continent of Africa alone, only 33% of individuals were using the Internet, leaving 67% of the population offline.

92 CSOs, or 45.3% of the total, of 203 CSOs in the three Digital Networks, set up and maintained by the Committee, are based in Sub-Saharan Africa, which is particularly affected by the 'Digital Divide'. These 92 CSOs offer important knowledge resources for the well-being of families, especially in the first 1000 days of a child's life, which are so important for its future development, as UNESCO pointed out in 2014. These digital knowledge networks expand the concept of Civil Society being an advocacy and discourse entity, to also being a resource entity, especially of knowledge.

[www.10yearsIYF.org](http://www.10yearsIYF.org)

This website continues to experience interest, as a digital network, and also as a resource archive for the tenth anniversary of the International Year of the Family (IYF) in 2004, with many relevant links to other sources. It resulted out of the participation of the then Chairperson of the Committee in a consultative meeting of twenty international and regional Civil Society Organisations (CSOs) set up by the United Nations Secretariat in New York, in 2002, to implement a resolution of the United Nations General Assembly to observe the 10<sup>th</sup> Anniversary of the International Year of the Family (IYF) in 2004. There it was agreed to prepare a study, under the chairmanship of the Vienna NGO Committee on the Family on: 'Contributions of Civil Society Organisations to the Well-Being of Families' since 1994. The original study, in which thirty two CSOs, from eighteen countries in five continents participated, was also published in book form with the financial support of the United Nations Trust Fund on Family Activities in 1994, under the title: 'Documenting Contributions of Civil Society Organisations to the Well-Being of Families' and edited by P. Crowley, who presented the study at a meeting of the United Nations in New York, to observe the United Nations International Day of Families on May 15<sup>th</sup> 2004. The book was also submitted to the members of the special session of the 59<sup>th</sup> General Assembly of the United Nations on Dec. 6<sup>th</sup> 2004, to observe the 10<sup>th</sup> anniversary of the International Year of the Family.

The United Nations Secretary General referred to the above publication in his Report to the 59<sup>th</sup> Session of the General Assembly (A/59/176, 2004). The contents of the book, which also includes a comparative perspective of international, national, and local families-oriented civil society organisations enhancing social justice, are also available to download at [www.10yearsIYF.org](http://www.10yearsIYF.org)

[www.20yearsIYF.org](http://www.20yearsIYF.org)

To facilitate the implementation of an update of the above-mentioned study, originally carried out at [www.10yearsIYF.org](http://www.10yearsIYF.org) a further website was set up by the Committee at [www.20yearsIYF.org](http://www.20yearsIYF.org) to gather data entered by the twenty-eight participating CSOs, from seventeen countries in four continents. This network now further offers a knowledge resource on family issues for visitors to the website, by creating a so-called 'Cyber Street' of websites of families-oriented CSOs, which deal with eight categories relevant for families: 'Children; Economic-Financial; Education; Gender; Health Issues; Organisation; Parents; and Subsistence-Services.' This website is also a further digital network and includes a series of links, inter alia, to the United Nations Focal Point on the Family in New York.

[www.civilsocietynetworks.org](http://www.civilsocietynetworks.org)

An Interactive-Internet-Forum for civil society organisations world-wide, including local, national and international CSOs, as well as academic and research institutions, was set up at the request of many organisations from around the globe, and then went online in August 2004 at [www.civilsocietynetworks.org](http://www.civilsocietynetworks.org). This Network had 143 member organisations from 25 countries in 2021 having incorporated the Interactive-Forums the Committee had originally set up with civil society organisations in Eastern African and in Central and Eastern European Countries, between 2000 and 2004, and then extended and opened up, as a further digital network, to worldwide membership in 2004. Civil Society Organisations worldwide can join, and participate in this Forum, free of cost, by contacting the Committee at: [contact@viennafamilycommittee.org](mailto:contact@viennafamilycommittee.org)

Each organisation receives an individual User-Identity and Password and is able to enter and change data as necessary. The Forum also includes a discussion board, internal e-mail and online conference facilities, as well as a newsletter function, for each individual member organisation of the network.

The above outlined facts and figures, reflect perhaps, the ever-increasing interest generated by issues relating to families and also speak for themselves, with regard to the continued and increasing endeavours worldwide of the Committee, which observed in 2021 the 36<sup>th</sup> Anniversary of its inception in 1985.
